

Our Ref: N0102

6 May 2011

Dear Resident

M2 Upgrade Alternative Cycle Route – repair work in your area

The Hills M2 Upgrade will widen the existing motorway between Windsor Road, Baulkham Hills and Lane Cove Road, North Ryde and will deliver four new ramps to improve access to the motorway. We aim to provide efficient and integrated transport for the community of Sydney's North-West. Major work started in January 2011 and is expected to take around two years to complete.

An alternative cycle route was constructed in January 2011 from the Hills District to Macquarie Park and North Ryde as a temporary detour for cyclists during construction of the M2 Upgrade.

Repair work will be carried out on the alternative cycle route in the week commencing 9 May including:

- Footpath and footpath ramps repair work at the junction of New North Rocks Road and North Rocks Road and the intersection of North Rocks Road and Statham Avenue, North Rocks.
- Pedestrian crossing pavement marking repair work at the junction of New North Rocks Road and North Rocks Road, North Rocks.

Hours of work are 7am until 6pm. The equipment used for this work includes:

- Concrete saw
- Concrete and delivery trucks
- Light vehicles
- Various hand tools

The community complaints and information line 1800 196 266 will be attended day and night during construction. Complaints received will be responded to within two hours and we will investigate the complaint as soon as possible. If you have any questions or would like to provide feedback please contact us on the 1800 number or email enquiries@hillsm2upgrade.com.au.

Kind Regards

Sanjin Muhic
Hills M2 Upgrade Community Relations Manager
