

Hills M2 Upgrade Barclay Road Bridge changed traffic conditions

Major work on the upgrade started in January 2011 and is expected to take approximately two years to complete.

From 4 April there will be changed traffic conditions on **Barclay Road Bridge, North Rocks** including reduced speed limits and lane closures.

Signs will be in place to notify motorists of the changed conditions.

Thank you for your patience. Please drive carefully and follow the signs.

For up-to-date traffic information visit:
