

5 December 2011

Our reference: N0256

Dear resident,

**PLEASE NOTE: NIGHT WORK DATE CHANGES**

**Re: Bridge deck stressing on Beecroft Road Bridge, starting 12 December**

The Hills M2 Upgrade will widen the existing motorway between Windsor Road, Baulkham Hills and Lane Cove Road, North Ryde and will deliver four new ramps to improve access to the motorway. The project aims to provide efficient and integrated transport for the community of Sydney's North-West. Major work started in January 2011 and is expected to take approximately two years to complete.

The bridge deck will be stressed to allow widening work to continue. This work will be carried out at night when traffic volumes on the motorway are lower. The work will start on 12 December, weather permitting. Please see the map and table over the page for more details.

Machinery and equipment required for this work includes lighting towers, trucks, grinders, hammers, a hydraulic jack, grout pumps and hand tools. You may experience increased noise levels as a result of this work. We will take measures to keep this to a minimum, including:

- Using non-tonal reversing alarms, which make a "quacking" sound instead of a "beeping" sound.
- Shrouding all stationary equipment and using hoarding where possible.

For more information about how the project team will manage noise, please refer to the *Hills M2 Upgrade Noise Management Fact Sheet* which is available on the project website [www.hillsm2upgrade.com.au](http://www.hillsm2upgrade.com.au).

Traffic arrangements

During this work a contra flow arrangement will be in place on the motorway under the bridge. The northbound lanes on Beecroft Road Bridge will be closed and a contra flow arrangement will operate on the southbound lanes. Traffic controls will be in place and speed limits will be reduced to 40km/h. Please drive carefully and follow the signs.

**The community complaints and information line 1800 196 266 (select option 2)** will be attended 24 hours per day, 7 days per week during construction. Complaints will be responded to within two hours and investigation of the complaint will proceed at the earliest opportunity. If you have any questions or would like to provide feedback please contact the project team on the 1800 number or email [enquiries@hillsm2upgrade.com.au](mailto:enquiries@hillsm2upgrade.com.au).

Kind regards,

Sanjin Muhic

Hills M2 Upgrade Community Relations Team

**Hills M2 Upgrade  
breakdown safety**

In the case of breakdown:

- Stay in your vehicle
- Switch on your hazard lights
- Call **1800 196 266**
- Wait for assistance
