10 November 2011

Dear resident,

**Re: Night work to install new bridge beams at Christie Road Bridge, Macquarie Park**

The Hills M2 Upgrade will widen the existing motorway between Windsor Road, Baulkham Hills and Lane Cove Road, North Ryde and will deliver four new ramps to improve access to the motorway. The project aims to provide efficient and integrated transport for the community of Sydney's North-West. Major work started in January 2011 and is expected to take approximately two years to complete.

As part of the upgrade, Christie Road Bridge will be lengthened to the south and widened to the west. New bridge beams will be installed over both the eastbound and westbound carriageways. Due to high volumes of traffic during the day, this work will be undertaken at night from **8pm Thursday 17 November to 5am Friday 18 November and 8pm Friday 18 November to 9am Saturday 19 November**, weather permitting.

Traffic impacts

Traffic on the motorway will be diverted to the opposite carriageway under a contra flow arrangement. Speed limits will be set at 40km/h. Please drive carefully and follow the signs.

The Herring Road on-ramp to the westbound motorway will be temporarily closed from **8pm Thursday 17 to 5am Friday 18 November and 8pm Friday 18 to 9am Saturday 19 November**, while the bridge beams over the westbound carriageway are installed. Motorists will be able to access the motorway via the Lane Cove Road westbound on-ramp.

**The community complaints and information line 1800 196 266 (select option 2)** is attended 24 hours per day, 7 days per week during construction. Complaints will be responded to within two hours and investigation of the complaint will proceed at the earliest opportunity.

If you have any questions or would like to provide feedback please contact us on the 1800 number or email [enquiries@hillsm2upgrade.com.au](mailto:enquiries@hillsm2upgrade.com.au).

Regards

Sanjin Muhic
