

# M2 Upgrade

Hills M2

8 June 2011

Our reference: N0092

Dear resident,

## Stage 2 - Work on Christie Road Bridge, Macquarie Park

The Hills M2 Upgrade will widen the existing motorway between Windsor Road, Baulkham Hills and Lane Cove Road, North Ryde and will deliver four new ramps to improve access to the motorway. We aim to provide efficient and integrated transport for the community of Sydney's North-West. Major work started in January 2011 and is expected to take around two years to complete.

As part of the upgrade Christie Road Bridge will be widened from three lanes to five lanes to accommodate additional traffic generated by the new eastbound on ramp. This major work will involve widening of the existing abutments and pier in the median and extending the deck. This work will take approximately 16 months to complete.

There will be changed traffic conditions on the bridge from the week commencing 13 June to establish a safe work area for construction. This involves removing existing line marking and remarking new lines. Christie Road Bridge will continue to operate with one lane in each direction. Access to the council playing fields and pedestrian and cyclist access will be maintained.

Please drive carefully and follow the signs. Your cooperation and patience are greatly appreciated during these essential upgrade works.

Work will be undertaken during standard construction hours, Monday to Friday from 7am to 6pm and Saturday from 8am to 1pm. At times, work outside these standard hours will be required due to safety and access reasons. A separate notification will be provided to potentially affected residents with dates and details prior to the start of any night work.

**The community complaints and information line 1800 196 266** will be attended day and night during construction. Complaints received will be responded to within two hours and we will investigate the complaint as soon as possible.

If you have any questions or would like to provide feedback please contact us on the 1800 number or email [enquiries@hillsm2upgrade.com.au](mailto:enquiries@hillsm2upgrade.com.au).

Kind regards

Sanjin Muhic

Hills M2 Upgrade Community Relations Manager
