Dear resident,

Re: Night work on the M2 Motorway between Vincent Street and Goodin Road, Baulkham Hills commencing 7 September

The Hills M2 Upgrade will widen the existing motorway between Windsor Road, Baulkham Hills and Lane Cove Road, North Ryde and will deliver four new ramps to improve access to the motorway. The project aims to provide efficient and integrated transport for the community of Sydney's North-West. Major work started in January 2011 and is expected to take approximately two years to complete.

As part of the upgrade, a process known as "cross stitching" will be undertaken to strengthen the existing road pavement on the eastbound and westbound carriageways of the motorway between Vincent Street and Goodin Road, Baulkham Hills. This involves drilling holes into the surface of the concrete pavement and placing grout and steel bars into the holes.

The work will be undertaken over two consecutive nights each week and take five weeks to complete, weather permitting. This work will be undertaken on the dates and locations shown over the page.

Due to the high volume of traffic during the day, this work will be undertaken at night between 8pm and 5.30am when traffic volumes on the motorway are lower. One lane in each direction will remain open at all times and traffic will be diverted to the opposite carriageway under a contra flow arrangement. There will be speed reductions in place, please follow the signs and drive with care.

Machinery and equipment used will include light vehicles, hammer drills, generators, industrial vacuum cleaner, lighting towers and hand tools. You may experience increased noise levels as a result of the work. The project team will take measures to keep this to a minimum, including:

- Completing drilling by midnight
- Using non-tonal reversing alarms, which make a "quacking" sound instead of a "beeping" sound.
- Shrouding all stationary equipment and using hoarding where possible.

For more information about how we will manage noise, please refer to the *Hills M2 Upgrade Noise Management Fact Sheet* which is available on the project website www.hillsm2upgrade.com.au.

The community complaints and information line 1800 196 266 (select option 2) will be attended 24 hours per day, 7 days per week during construction. Complaints will be responded to within two hours and investigation of the complaint will proceed at the earliest opportunity.

If you have any questions or would like to provide feedback please contact the project team on the 1800 number or email enquiries@hillsm2upgrade.com.au.

Regards

Sanjin Muhic
Hills M2 Upgrade Community Relations Manager

If you need an interpreter, please call the Translating and Interpreting Service (TIS National) on **131 450** and ask them to telephone the M2 Upgrade project information line on 1800 196 266. Our business hours are 8.30am to 5.00pm Monday to Friday.

Cantonese

若你需要口譯員，請致電**131 450**聯絡翻譯和口譯服務署 (TIS National)，要求他們致電 1800 196 266 聯絡 M2 Upgrade project information line。我們的工作時間是 8.30am to 5.00pm Monday to Friday。

Mandarin

如果你需要口译员，请致电**131 450**联系翻译和口译服务署 (TIS National)，要求他们致电1800 196 266 联系 M2 Upgrade project information line。我们的工作时间是 8.30am to 5.00pm Monday to Friday。

Korean
