Dear resident,

## **October long weekend work on the motorway, Beecroft Road Bridge to Culloden Road Bridge**

Major road works will be undertaken on the Hills M2 motorway between Beecroft Road and Culloden Road over the October long weekend from **7pm Saturday 1 October** to **5am Tuesday 4 October**.

### Work near your area

New drains will be constructed across the eastbound carriageway between the Beecroft Road on ramp and the Culloden Road Bridge, including inside the tunnel. This work cannot be completed in a single shift and requires extended closures of the eastbound carriageway.

Machinery and equipment required for this work includes light vehicles, trucks, mobile cranes, excavators, hammer drills, concrete saws, rollers, industrial vacuum cleaner, lighting towers and hand tools.

You may experience increased noise levels as a result of the work. The project team will take measures to keep this to a minimum, including using non-tonal reversing alarms, which make a "quacking" sound instead of a "beeping" sound.

For more information about how we will manage noise, please refer to the *Hills M2 Upgrade Noise Management Fact Sheet* which is available on the project website [www.hillsm2upgrade.com.au](http://www.hillsm2upgrade.com.au).

**The community complaints and information line 1800 196 266 (select option 2)** will be attended day and night during construction. Complaints received will be responded to within two hours and we will investigate the complaint as soon as possible. If you have any questions or would like to provide feedback please contact us on the 1800 number or email [enquiries@hillsm2upgrade.com.au](mailto:enquiries@hillsm2upgrade.com.au).

### Traffic conditions

Due to some lane closures, significant traffic delays are expected during this essential work. Please plan your journey, allow extra travel time and consider using alternate routes such as Epping Road, Carlingford Road and Pennant Hills Road. Phone 1800 196 266 or visit <http://livetraffic.rta.nsw.gov.au/> to obtain the latest traffic information on the day.

Some on ramps will need to be closed to reduce the amount of traffic on the motorway. This will greatly assist the flow and management of traffic through the two work locations.

Traffic controls will be in place, please observe 40km/h speed limits in the work areas. Please drive carefully and follow the signs.

### On ramp closures

Citybound on ramps at Pennant Hills Road and Beecroft Road, Beecroft will be closed from **10am to 5pm on Sunday 2 October** and from **10am to 5pm on Monday 3 October**.

Westbound on ramps at Herring Road and Lane Cove Road, North Ryde will be closed from **10am to 5pm on Sunday 2 October**.

**Hills M2 Upgrade  
breakdown safety**

In the case of breakdown:

- Stay in your vehicle
- Switch on your hazard lights
- Call **1800 196 266**
- Wait for assistance

Hills M2

## Motorway lane closures

Citybound lanes of the motorway will be closed between the Beecroft Road on ramp and the toll plaza from **7pm Saturday 1 October** to **5am Tuesday 4 October**. Eastbound traffic will be diverted onto the westbound carriageway where a contra-flow traffic arrangement will be in place. At least one lane will remain open in each direction.

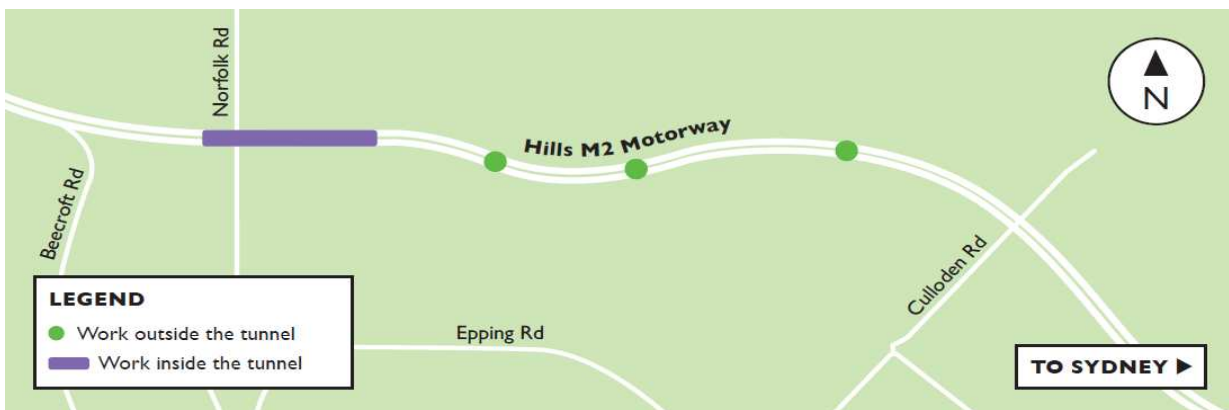

Westbound lanes of the motorway will be closed between the Barclay Road and Oakes Road bus stops from **7pm Saturday 1 October** to **11am Monday 3 October**. Westbound traffic will be diverted onto the eastbound carriageway where a contra-flow arrangement will be in place. At least one lane will remain open in each direction.

We apologise for any inconvenience and thank you for your patience.

Kind regards

Sanjin Muhic
