

## Hills M2 Upgrade work July to September 2011

The Hills M2 upgrade will widen the existing motorway between Windsor Road, Baulkham Hills and Lane Cove Road, North Ryde and deliver four new ramps to improve access to the motorway. It is expected to take approximately two years to complete the upgrade.

### **Work scheduled from July to September 2011 includes:**

- Ongoing vegetation clearing, earthworks, drainage, pavement and widening work along the motorway.
- Ongoing bridge works at:
  - Windsor Road Bridge
  - Darling Mills Creek Bridge
  - Barclay Road Bridge
  - Yale Close Bridge
  - Murray Farm Road Bridge
  - Devlins Creek Bridge
  - Beecroft Road Bridge
  - Terrys Creek Bridge
  - Christie Road Bridge
  - Khartoum Road Bridge
- Changes to traffic arrangements on the motorway, Murray Farm Road Bridge and Christie Road Bridge.
- Commence installation of new permanent noise walls.
- Start of widening work in the eastbound tunnel.
- Removal of the toll plaza canopy.
- Night work may be carried out for:
  - Bridgework including girder installation
  - Tunnel rock bolting and excavation
  - Road work for drainage and culvert installation
  - Noise wall installation
  - Pavement strengthening

Please follow the signs and drive with care.

The Hills M2 Upgrade team appreciates your patience and apologises for any inconvenience caused.

Standard construction hours are from Monday to Friday, 7am to 6pm and Saturday from 8am to 1pm.
