Dear resident,

**Re: Start of construction at Khartoum Road Bridge, Macquarie Park**

The M2 Upgrade will widen the existing motorway generally between Windsor Road, Baulkham Hills and Lane Cove Road, North Ryde and will deliver four new ramps to improve access to the motorway. The project aims to provide efficient and integrated transport for the community of Sydney's North-West. Major work on the upgrade started in January 2011 and is expected to take approximately two years to complete.

Khartoum Road Bridge is a single span bridge, which carries the Hills M2 Motorway over Khartoum Road, Macquarie Park. The bridge will be widened by approximately 3.5 metres on both the eastbound and westbound carriageways.

Work on the bridge will be undertaken in two stages. The first stage involves widening on the eastbound carriageway which will start during the week beginning 23 May. The second stage involves widening on the westbound carriageway and is scheduled to begin in November 2011. Work on the bridge is expected to be completed by mid to late 2012.

The bridge widening work includes:

- Setting up the worksite
- Erecting scaffolding
- Constructing the abutments
- Installing girders
- Demolishing deck slab and concrete barriers
- Installing new concrete barriers, signage and line marking

The following equipment will be used during the work:

- Jack hammers and concrete saws.
- Excavators and compactors.
- Mobile cranes.
- Coring drills.
- Concrete pumps, trucks and vibrators.
- Hand tools.

Pedestrian access on Khartoum Road will be maintained at all times.

Work will be undertaken during standard construction hours, Monday to Friday from 7am to 6pm and Saturday from 8am to 1pm.

Some night work will be required to complete the bridge widening work. Residents will receive a notification with dates and details prior to the start of any night work.

**Hills M2 Upgrade**  
breakdown safety

In the case of breakdown:

- Stay in your vehicle
- Switch on your hazard lights
- Call **1800 196 266**
- Wait for assistance

**The community complaints and information line 1800 196 266** will be attended day and night during construction. Complaints received will be responded to within two hours and investigation of the complaint will proceed at the earliest opportunity. If you have any questions or would like to provide feedback please contact the project team on the 1800 number or email [enquiries@hillsm2upgrade.com.au](mailto:enquiries@hillsm2upgrade.com.au).

Kind regards

Sanjin Muhic
