Dear resident,

Re: Night work to install traffic barriers near Khartoum Road Bridge, Macquarie Park

The Hills M2 Upgrade will widen the existing motorway between Windsor Road, Baulkham Hills and Lane Cove Road, North Ryde and will deliver four new ramps to improve access to the motorway. The project aims to provide efficient and integrated transport for the community of Sydney's North-West. Major work started in January 2011 and is expected to take around two years to complete.

Work is currently underway to widen the motorway near the Khartoum Road Bridge at Macquarie Park. Additional concrete barriers will be installed near an existing construction access gate on the eastbound carriageway of the motorway, east of Khartoum Road.

Traffic management measures include a reduced speed limit and closure of the left lane on the eastbound carriageway while the additional concrete barriers are installed. Please refer to the map over for more information. The hours of work will be from 8pm to 5.30am on 2 and 3 August, weather permitting.

Machinery and equipment needed for the work includes flood lights, generator, cranes and delivery trucks. You may experience increased noise levels as a result of this work. We will take measures to keep this to a minimum, including:

- Using non-tonal reversing alarms, which make a "quacking" sound instead of a "beeping" sound.
- Shrouding all stationary equipment and using hoarding where possible.

For further information about how we will manage noise, please refer to the *Hills M2 Upgrade Noise Management Fact Sheet* which is available on the project website www.hillsm2upgrade.com.au

The community complaints and information line 1800 196 266 (select option 2) will be attended day and night during construction. Complaints will be responded to within two hours and investigation of the complaint will proceed at the earliest opportunity. If you have any questions or would like to provide feedback please contact the project team on the 1800 number or email enquiries@hillsm2upgrade.com.au.

Kind regards

Sanjin Muhic

Hills M2 Upgrade Community Relations Manager

If you need an interpreter, please call the Translating and Interpreting Service (TIS National) on **131 450** and ask them to telephone the M2 Upgrade project information line on 1800 196 266. Our business hours are 8.30am to 5.00pm Monday to Friday.

Cantonese
