

# M2 Upgrade

## Works Notification

8 November 2010

Dear Sir/Madam,

**Re: North Ryde station main site office establishment**

The M2 Upgrade will widen the existing motorway generally between Windsor Road, Baulkham Hills and Lane Cove Road, North Ryde and will deliver four new ramps to improve access to the motorway. The project aims to provide efficient and integrated transport for the community of Sydney's North-West.

The start of major work will commence in early 2011 and is expected to take approximately two years to complete.

Work to set up the main site office near North Ryde train station is scheduled to start in the week beginning Monday, 13 December 2010 (see attached map).

The site will be the main office for staff and amenities, car parking and light deliveries. The entrance to the site office will be off Delhi Road at the traffic signals east of North Ryde train station.

At times, this site will be in use 24 hours per day, 7 days per week for the duration of the project. Work to set up the site will include:

- Erecting a safety fence around the site.
- Establishing a car park
- Setting up of temporary office buildings.

The work to set up the site office will take approximately eight to ten weeks and will be undertaken during standard construction hours, Monday to Friday 7am to 6pm and Saturday 8am to 1pm.

If you have any questions please contact the project team on 1800 196 266 or email [enquiries@hillsm2upgrade.com.au](mailto:enquiries@hillsm2upgrade.com.au)

Kind regards

M2 Upgrade Community Relations Team
