Dear resident,

Re: Night work to undertake pavement repairs between Murray Farm Road Bridge and Norfolk Tunnel, Beecroft commencing 6 October, 2011

The Hills M2 Upgrade will widen the existing motorway between Windsor Road, Baulkham Hills and Lane Cove Road, North Ryde and will deliver four new ramps to improve access to the motorway. The project aims to provide efficient and integrated transport for the community of Sydney's North-West. Major work started in January 2011 and is expected to take approximately two years to complete.

As part of the upgrade, pavement repairs on the existing road pavement will be undertaken on the motorway between Murray Farm Road Bridge and Norfolk Tunnel, Beecroft.

This work will be undertaken at night from 8pm to 5am when traffic volumes are lower. The dates of work are shown over the page.

The machinery and equipment used will include a concrete saw, small lifting crane, a light tower, work vehicles, hand tools, air blowers and an industrial vacuum. You may experience increased noise levels as a result of the work. The project team will take measures to keep this to a minimum, including:

- Completing saw cutting by midnight
- Using non-tonal reversing alarms, which make a "quacking" sound instead of a "beeping" sound.

For more information about how the project team will manage noise, please refer to the *Hills M2 Upgrade Noise Management Fact Sheet* which is available on the project website www.hillsm2upgrade.com.au.

Traffic

Traffic will be diverted to the opposite carriageway under a contra flow arrangement. Speed limits will be set at 40km/h. Please drive carefully and follow the signs.

The community complaints and information line 1800 196 266 (select option 2) will be attended 24 hours per day, 7 days per week during construction. Complaints will be responded to within two hours and investigation of the complaint will proceed at the earliest opportunity. If you have any questions or would like to provide feedback please contact the project team on the 1800 number or email enquiries@hillsm2upgrade.com.au.

Regards

Sanjin Muhic
Hills M2 Upgrade Community Relations Manager
