

# M2 Upgrade

## Work Notification

7 February 2010

Our ref: Ch:13760\_7.2.11\_TCBNW\_1

Dear Sir/Madam,

### **Re: Terrys Creek Bridge – noise wall movement**

The M2 Upgrade will widen the existing motorway generally between Windsor Road, Baulkham Hills and Lane Cove Road, North Ryde and will deliver four new ramps to improve access to the motorway. The project aims to provide efficient and integrated transport for the community of Sydney's North-West.

Major work on the M2 commenced in early 2011 and is expected to take approximately two years to complete.

Establishment of access to the Terrys Creek Bridge work area will start in the week beginning 14 February 2011.

Access will require removal of part of the existing noise wall on the eastbound carriageway near Terrys Creek. A temporary gate will be erected in this same section of the noise wall. This work will take approximately one week to complete. During this period nearby residents may experience a temporary increase in motorway traffic noise whilst the gate is installed.

Future changes to the existing noise wall as part of Terrys Creek Bridge work will be required. Potentially affected residents will be notified in advance of any future change.

The Terrys Creek Bridge work site will be used to support motorway widening work across Terrys Creek. Construction access will be from the eastbound carriageway. Staff and light vehicle access will be through the intersection of Crimea and Waterloo Roads.

Work on Terrys Creek bridge will be ongoing for the duration of the project, and will be undertaken during standard construction hours, Monday to Friday 7am to 6pm and Saturday 8am to 1pm. At times, this site will be in use 24 hours per day, 7 days per week due to safety and access reasons. A separate notification will be provided to potentially affected residents with dates and details prior to the start of night work.

If you have any questions please contact the project team on 1800 196 266 or email [enquiries@hillsm2upgrade.com.au](mailto:enquiries@hillsm2upgrade.com.au)

Kind regards

M2 Upgrade Community Relations Team
