

Hills M2 Upgrade

Hills M2

20 October 2011

Our Reference: N0212

PLEASE NOTE DATE CHANGES

Dear resident,

Re: Night work on the westbound carriageway of M2 near Barclay Road Bridge starting 27 October.

The Hills M2 Upgrade will widen the existing motorway between Windsor Road, Baulkham Hills and Lane Cove Road, North Ryde and will deliver four new ramps to improve access to the motorway. The project aims to provide efficient and integrated transport for the community of Sydney's North-West. Major work started in January 2011 and is expected to take approximately two years to complete.

Work is currently under way to widen the motorway near the Barclay Road Bridge. Previously installed concrete barriers will be relocated east and west of the bridge. Due to the high volumes of traffic on the motorway during the day this work will be undertaken at night from 8pm to 5:30am on 27 October.

Traffic changes

The left (slow) lane of the westbound carriageway will be closed during this work. Please refer to the map over for more information. There will be speed reductions in place, please follow the signs and drive with care.

Work activities

Machinery and equipment used will include trucks, hand tools, crane and lighting towers. You may experience increased noise levels as a result of the work. The project team will take measures to keep this to a minimum, including using non-tonal reversing alarms, which make a "quacking" sound instead of a "beeping" sound.

For more information about how we will manage noise, please refer to the Hills M2 Upgrade Noise Management Fact Sheet which is available on the project website www.hillsm2upgrade.com.au

The community complaints and information line 1800 196 266 (select option 2) will be attended day and night during construction. Complaints will be responded to within two hours and investigation of the complaint will proceed at the earliest opportunity.

If you have any questions or would like to provide feedback please contact the project team on the 1800 number or email enquiries@hillsm2upgrade.com.au.

Regards

Sanjin Muhic
