

M2 Upgrade

Work Notification

10 February 2011

Our Reference:CH3600_10.02.2011_WRB

Dear resident,

Re: Windsor Road Bridge widening - start of construction

The M2 Upgrade will widen the existing motorway generally between Windsor Road, Baulkham Hills and Lane Cove Road, North Ryde and will deliver four new ramps to improve access to the motorway. The project aims to provide efficient and integrated transport for the community of Sydney's North-West.

Major work on the upgrade started in January 2011 and is expected to take approximately two years to complete.

Windsor Road will be widened on the western side to enable the construction of the new eastbound off-ramp and westbound on-ramp. This entails widening of the existing bridge.

Widening work, including bridge widening and construction of the new on and off ramps at Windsor Road ramps will commence the week beginning 14 February 2011.

Initial work will include:

- Piling in the median strip on the motorway.
- Earthworks and excavation.
- Demolition and jack hammering.
- Erosion and sediment control.
- Installation of scaffolding.
- Concrete supports for bridge beams.

Work on Windsor Road Bridge will be undertaken during standard construction hours, Monday to Friday 7am to 6pm and Saturday 8am to 1pm. At times, there will be night work at this site due to safety and access reasons. A separate notification will be provided to potentially affected residents with dates and details prior to the start of any night work. All work is subject to weather and construction conditions.

If you have any further enquiries, please contact the project team on 1800 196 266 or email enquiries@hillsm2upgrade.com.au.

Kind regards

M2 Upgrade Community Relations Team
