

14 October 2011

Our reference: N0206

Dear resident,

**Re: Night work and partial lane closures on Windsor Road Bridge, Baulkham Hills commencing 21 October**

The Hills M2 Upgrade will widen the existing motorway between Windsor Road, Baulkham Hills and Lane Cove Road, North Ryde and will deliver four new ramps to improve access to the motorway. The project aims to provide efficient and integrated transport for the community of Sydney's North-West. Major work started in January 2011 and is expected to take approximately two years to complete.

As part of the upgrade, a concrete pour will be carried out on Windsor Road Bridge to join the new bridge deck to the existing bridge.

This work will be undertaken on 21 October between **8:00pm and 7:00am** when traffic volumes are lower (see information over the page). The concrete pour will be completed by around 1:00am; however traffic control, including a reduced speed limit will be in place until 7:00am to allow the new concrete to set.

Windsor Road will be open with at least one lane in each direction during this work. Pedestrian and cyclist access will be maintained. Please drive carefully and follow the signs and directions of traffic controllers.

Machinery and equipment needed for this work includes lights, concrete delivery trucks, concrete vibrators, light vehicles and hand tools. You may experience increased noise levels as a result of this work. We will take measures to keep this to a minimum, including:

- Using non-tonal reversing alarms, which make a "quacking" sound instead of a "beeping" sound.
- Shrouding stationary equipment and using hoarding where possible.

For further information about how the project team will manage noise, please refer to the *Hills M2 Upgrade Noise Management Fact Sheet* which is available on the project website [www.hillsm2upgrade.com.au](http://www.hillsm2upgrade.com.au).

The **community complaint and information line 1800 196 266 (select option 2)** will be attended 24 hours per day, 7 days per week during construction. Complaints will be responded to within two hours and investigation of the complaint will proceed at the earliest opportunity. If you have any questions or would like to provide feedback please contact the project team on the 1800 number or email [enquiries@hillsm2upgrade.com.au](mailto:enquiries@hillsm2upgrade.com.au).

Kind regards,

Sanjin Muhic

Hills M2 Upgrade Community Relations Team
